

Hong Kong

In order to export dogs/cats to **Hong Kong**, the following documents are required:

1. Passport of the exporter, both original and copy versions.
2. The microchip implantation.
3. The **Rabies** and **combination** vaccine certificate/booklet, both original and copy versions. Must include all of the following information:
 - Date of vaccination and vaccine product information.
 - Full name, license number, and signature of a veterinarian who administered the vaccination.
 - In case of any correction the vet signature is required.
 - The most recent vaccination must be done not less than 14 days and not more than 1 year before the animal is imported into Hong Kong.
4. **Import permit** (contact Hong Kong animal quarantine station)

Please, bring all the required documents in both hardcopy and original versions with your pets to the Animal Quarantine Station for physical examination within 1-5 days prior to the departure date without any reservation needed. We are open

Monday-Friday (except Thai public holidays) 08:30 am - 12:00 pm
and 01:00 pm - 03:30 pm.

All the processes here will take about 2-3 hours; we will provide you the official health certificate and export permit. Please prepare 250 THB/pet and 10 THB/Shipment for a fee (Cash only).
