

# Canada

In order to export dogs/cats to **Canada**, the following lists are required:

1. Passport of the exporter, *both original and hardcopy versions*.
2. The pets have to be at least 4 months old.
3. Microchip implantation.
4. Vaccination record/booklet with details of pets, *both original and hardcopy*.
  - Each vaccination must include all of the following information: (1) date of vaccination, (2) vaccine product information, and (3). veterinarians' detail: full name, license number, and signature of a veterinarian who administered the vaccination.
  - The pets must be continuously Rabies vaccinated and the recent one is still valid until the departure date.

*\*\*In case of any correction the veterinarian's signature is required.\*\**

Please, bring all the required documents in both hardcopy and original versions with your pets to the Animal Quarantine Station for physical examination within 1-5 days prior to the departure date without any reservation needed. We are open Monday-Friday (except Thai public holidays) 08:30 am - 12:00 pm and 01:00 pm - 03:30 pm.

All the processes here will take about 2-3 hours; we will provide you the official health certificate and the export permit. Please prepare 250 THB/pet and 10 THB/Shipment for a fee (Cash only).
