

# Indonesia

In order to export dogs/cats to **Indonesia**, the following documents are required:

1. **Passport of the exporter**, hardcopy versions.

**\*\***In case the exporter is not available to submit the documents in person, please assign them to a delegate with a power of attorney document.

2. **The microchip certificate**, both original and copy versions.

3. **The rabies vaccine certificate/book**, both original and copy versions.

- Must include all of the following information:
  - Date of rabies vaccination and vaccine product information.
  - Full name, license number, and signature of a veterinarian who administered the vaccination.
  - In case of any correction the vet signature is required.

4. **Import permit** (contact Indonesia animal quarantine station)

5. **Rabies free zone certificate** (contact local department of livestock development)

- Rabies has not been reported within the area where the animal has lived for the last 6 (six) months.

6. **The report of the serology test for rabies**, both original and copy.

- The Rabies serology titer result must be at least 0.5 I.U./ml.

7. **Other documents** regarding import permit. (If any)

Please, bring all the required documents in both hardcopy and original versions with your pets to the Animal Quarantine Station for physical examination within 1-5 days prior to the departure date without any reservation needed. We are open Monday-Friday (except Thai public holidays) 08:30 am - 12:00 pm and 01:00 pm - 03:30 pm.

All the processes here will take about 2-3 hours; we will provide you the official health certificate and the export permit. Please prepare 250 THB/pet and 10 THB/Shipment for a fee (Cash only).
