

Myanmar

In order to export dogs/cats to **Myanmar**, the following lists are required:

1. Passport of the exporter, *both original and hardcopy versions*.
2. The pets have to be at least 4 months old.
3. Microchip implantation.
4. Rabies and combination vaccination record/booklet, *both original and hardcopy*.
 - Each vaccination must include all of the following information: (1) date of vaccination. (2). vaccine product information. (3). veterinarians' detail: full name, license number, and signature of a veterinarian who administered the vaccination.
 - In the case of primary rabies vaccination, the pets should have been vaccinated more than 21 days prior to departure.
 - The pets must be continuously vaccinated and the recent one is still valid until the departure date.

In case of any correction the veterinarian's signature is required.

5. Import permit please contact to the Myanmar animal quarantine station

Please, bring all the required documents in both hardcopy and original versions with the pets to Animal Quarantine Station for

physical examination within 1-5 days prior to the departure date without any reservation needed. We are open Monday-Friday (except Thai public holidays) 08:30 am - 12:00 pm and 01:00 pm - 03:30 pm.

All the processes here will take about 2-3 hours; we will provide you the official health certificate and the export permit. Please prepare 250 THB/pet and 10 THB/Shipment for a fee (Cash only).
