

Laos

***DISCLAIMER:** For pet travel requirements not listed, Suvarnabhumi AQS has not been officially informed by the foreign country about the requirements for your pet's travel. We recommend you contact animal health officials from the country you are traveling to for more information.*

In order to export dogs/cats to **Laos**, the following documents are required:

1. Passport of the exporter, both original and copy versions.
2. The microchip implantation.
3. Your pets have to be over 4 months old and have the rabies vaccine (primary rabies vaccination) more than 30 days prior to traveling and the rabies vaccination should be continuing.
4. Vaccination record or booklet, both original and copy.
 - Must include all of the following information:
 - Date of rabies vaccination and vaccine product information.
 - Full name, license number, and signature of a veterinarian who administered the vaccination.

Please, bring all the required documents in both hardcopy and original versions with your pets to Animal Quarantine Station for physical examination within 1-5 days prior to the departure date without any reservation needed. We are open

Monday-Friday (except Thai public holidays) 08:30 am - 12:00 pm
and 01:00 pm - 03:30 pm.

All the processes here will take about 2-3 hours; we will provide you the official health certificate and the export permit. Please prepare 250 THB/pet and 10 THB/Shipment for a fee (Cash only).
